- 2. Must reconcile to supporting documentation on staff salaries
- 3. Insert other categories where revenue or expenditure is of a material nature (list separate items until 'General expenses' is not > 10% of Total Expenditure)
- 4. Expenditure to meet any 'unfunded obligations'
- 5 This sub-total must agree with the total on SA22, but excluding councillor and board member items
- 6. Include a note for each revenue item that is affected by 'revenue foregone'
- 7. Special consideration may have to be given to including 'goodwill arising' or 'joint venture' budgets where circumstances require this (include separately under relevant notes)
- 8. Repairs and Maintenance is not a GRAP item. However to facilitate transparency, municipalities must provide a breakdown of the amounts included in the relevant GRAP items that will be spent on Repairs and Maintenance.
- 9. Must reconcile with Repairs and Maintenance by Asset Class (Total Repairs and Maintenance) on Table SA34c.
- 10. Only applicable to municipalities that have adopted the 'revaluation method' in GRAP 17. The aim is to prevent overstating 'depreciation and asset impairment'
