MESSAGE FROM THE HONOURABLE MAYOR

The Dr Nkosazana Dlamini Zuma Local Municipality customer care policy, incorporating this Customer Service Charter, sets out the Council's commitment towards Service Excellence.

Underlined by the eight Batho Pele principals that National Government prescribes as the core of service delivery for all levels of government. This document intends putting People First and has at its heart, Government's vision of "Creating a Better Life for All".

The Municipality considers anyone who lives, works and socialise in the greater municipal area as its customers. We want to ensure that you understand your rights and responsibilities, receive the services you are entitled to and have the opportunity for feedback. We believe that the Customer Care Policy and Service Charter is a progressive step towards achieving such goals.

MESSAGE FROM THE MUNICIPAL MANAGER

Our Municipality was established in August 2016 and with the start of a new financial year, we are establishing a Customer Care responsibility under the office of the CFO to address issues surrounding service delivery and related communications. It is anticipated that this section will report, once established, to the Office of the Municipal Manager thus ensuring a direct line of communication between the customer and myself.

In this Customer Service Charter; all departments within the Municipality have been assigned specific Service Standards according to the services it provides and will be measured accordingly.

I believe that this section, this document and its related processes signify a new approach to customer service within our Municipality. This will go far in affirming the values we believe in: transparency, accountability and service excellence.

This document also signifies a relationship in which the customer has responsibility to pay timeously for the services he expects to be delivered and reports issues and problems as soon as they occur. The municipality and its people remain in partnership which has a better chance of success when everyone is working together.
