The Employer and the Employee are hereinafter referred to as "the Parties".

(2) Section 57(1)(b) of the Systems Act, read with the contract of employment concluded between the parties, requires the parties to conclude an annual Performance Agreement. The employer must conclude a Performance Agreement within 60 days of assumption of duty and renew it annually within one month of the commencement of the beginning of the financial year.

2. PURPOSE OF THIS AGREEMENT

2.4 monitor and measure performance against set targeted outputs;

2.5 appropriately reward the Employee in the event of outstanding performance; and

2.7 give effect to the Employer's commitment to a performance-orientated relationship with the Employee in attaining equitable and improved service delivery.

3 COMENCEMENT AND DURATION

3.1 This Agreement will commence on the **01 July 2022** and will remain in force in line with the Employment agreement until **31 August 2022** where after a new Performance Agreement, Performance Plan and Personal Development Plan shall be concluded between the parties for the next financial year or any portion thereof, if applicable.

3.2 The parties will review the provisions of this Agreement during June each year and will conclude a new Performance Agreement (and Performance Plan and Personal Development Plan) that replaces this Agreement at least once a year but not later than one month after the commencement of the new financial year, in line with the Employment Agreement.

3.3 This Agreement will terminate on the termination of the Employee's contract of employment for any reason.

3.4 The content of this Agreement may be revised at any time during the abovementioned period to determine the applicability of the matters agreed upon.

3.5 If at any time during the validity of this Agreement the work environment alters (whether as a result of government or council decisions or otherwise) to the extent that the contents of this Agreement are no longer appropriate, the contents shall immediately be revised.

3.6 Any significant amendments/ deviations referred to in 3.4 and 3.5 above must take cognisance of, where relevant, the requirements of sections 34 (annual review and amendment of the integrated development plan) and 42 (community to be involved in setting performance indicators and targets) of the Systems Act, and must be done in terms of regulation 4 (5) (submission of employment contracts and performance agreements to the provincial and national ministers responsible for local government) of the Local Government: Municipal Performance Regulations for Municipal Managers and managers directly accountable to the Municipal Manager, 2006 ("the Regulations");

4 PERFORMANCE OBJECTIVES

4.1 The Performance Plan (Appendix "A") sets out-

4.1.1 the performance objectives and targets that must be met by the Employee; and

4.1.2 the time frames within which those performance objectives and targets must be met.

4.2 The performance objectives and targets reflected in Appendix "A" are set by the Employer in consultation with the Employee and based on the Integrated Development Plan and the Budget of the Employer, and shall include key objectives; key performance indicators; target dates and weightings.

4.3 The key objectives describe the main tasks that need to be done. The key performance indicators provide the details of the evidence that must be provided to show that a key objective has been achieved. The target dates describe the timeframe in which the work must be achieved. The weightings show the relative importance of the key objectives to each other.

4.4 The Employee's performance will, in addition, be measured in terms of contributions to the goals and strategies set out in the Employer's Integrated Development Plan.

5 PERFORMANCE MANAGEMENT SYSTEM

5.1 The Employee agrees to participate in the performance management system that the Employer adopts or introduces for the Employer itself, management and municipal staff of the Employer.

5.2 The Employee accepts that the purpose of the performance management system will be to provide a comprehensive system with specific performance standards to assist the Employer, management and municipal staff to perform to the standards required.

5.3 The Employer will consult the Employee about the specific performance standards that will be included in the performance management system as applicable to the Employee.

6.1 The Employee undertakes to actively focus towards the promotion and implementation of the KPAs (including special projects relevant to the employee's responsibilities) within the local government framework.

6.2 The criteria upon which the performance of the Employee shall be assessed, shall consist of two components, both of which shall be contained in the Performance Agreement.

6.2.1 The Employee must be assessed against both components, with a weighting of 80:20 allocated to the Key Performance Areas (KPAs) and the Competency Framework Structure (CFS) respectively.

6.2.2 KPAs covering the main areas of work (KPAs) will account for 80% and CFSs will account for 20% of the final assessment.

6.2.3 Each area of assessment will be weighted and will contribute a specific part to the total score.

6.3 The Employee's assessment will be based on his / her performance in terms of the outputs / outcomes (performance indicators) identified as per attached Performance Plan (Appendix "A" - objectives that are specific to the office of the MM, excluding the KPA objectives of the five departments reporting directly to the MM) with a weighting of one-sixth, added to the weighted-average performance assessment outcomes, per national KPA, of the five managers that report directly to the Employee (that is the managers for Corporate Support Services, Public Works and Basic Services, Financial Services, Community Services and Development and Town Planning Services) with a weighting of five-sixth, which are linked to the KPA's, and when added together to make six sixth will constitute 80% of the overall assessment result as per the weightings agreed to between the Employer and Employee:

Key Performance Areas (KPA's) - ONLY FOR THE KPAs THAT ARE SPECIFIC TO THE OFFICE OF THE MM, PER ANNEXURE A, EXCLUDING THE KPAs OF THE FIVE MANAGERS REPORTING DIRECTLY TO THE MM.

Municipal Institutional Development and Transformation	5%
Social and Local Economic Development (LED)	0%
Municipal Financial Viability and Management	0%

06.4 The Leading Competencies (LCs) and Core Competencies (CC's) set out in Annexure A of the Local Government: Competency Framework for Senior Managers (Government Gazette No. 37245 dated 17 January 2014), will make up the other 20% of the Employee's assessment score. There is no hierarchical connotation and all competencies are essential to the role of a senior manager. All competencies must therefore be included in the assessment and weighted equally as follows:

LEADING COMPETENCIES	Driving competency (of the leading competency)	WEIGHT
Strategic Direction and Leadership	<ul style="list-style-type: none"> • Impact and Influence • Institutional Performance Management • Strategic Planning and Management • Organisational Awareness 	8.333%

- Consultation
- Setting service standards
- Increasing access
- Ensuring courtesy
- Providing information
- Openness and transparency
- Redress

7. EVALUATING PERFORMANCE

7.1 The Performance Plan/scorecard (Appendix "A") to this Agreement sets out –

7.1.1 the standards and procedures for evaluating the Employee's performance; and

7.1.2 the intervals for the evaluation of the Employee's performance.

7.2 Despite the establishment of agreed intervals for evaluation, the Employer may in addition review the Employee's performance at any stage while the contract of employment remains in force.

7.3 Personal growth and development needs identified during any performance review discussion must be documented in a Personal Development Plan (in a format substantially compliant with Appendix "B") as well as the actions agreed to, and implementation must take place within set time frames.

7.4 The Employee's performance will be measured in terms of contributions to the goals and strategies set out in the Employer's IDP.

7.5 The annual performance appraisal will involve:

7.5.1 Assessment of the achievement of results as outlined in the performance plan (Annexure A):

(a) Each KPA should be assessed according to the extent to which the specified standards or performance indicators have been met and with due regard to ad hoc tasks that had to be performed under the KPA.

(b) An indicative rating on the five-point scale should be provided for each KPA.

(c) The applicable assessment rating calculator (including the KPA weighting factors) must then be used to add the scores and calculate a final KPA score.

(d) The outcome scores, arising from items 7.5.1 (a) to (c) above, for each national KPA on Annexure A, will then be weighted with a factor of one-sixth.

(e) The weighted-average actual outcome scores of the five departmental managers, using the weightings contained in their performance agreements, will then be calculated, per national KPA, and assigned a weighting of five sixth.

(f) Calculating at the level of each national KPA, the one-sixth score calculated in 7.5.1 (d) above and the five sixth score calculated in 7.5.1 (e) above will be combined to give the final overall scoring outcome for the Employee working in conjunction with the five departments that he manages.

(g) It is expressly acknowledged that this approach to calculating an overall scoring outcome for the Municipal Manager is intended to combine, in a balanced manner, the outcomes for the MM's office alone together with the outcomes of the five departments that he manages.

7.5.2 Assessment in terms of the Leading Competencies (LCs) and Core Competencies (CCs) as set out in the Competency Framework Structure for Senior Managers

(a) Each LC and CC should be assessed according to the extent to which the specified standards (achievement levels) have been met: **basic, competent, advanced and superior** (refer to Annexure A of the Local Government : Competency Framework for Senior Managers (Government Gazette No. 37245 dated 17 January 2014 for the standards set for each achievement level).

(b) An indicative rating on the five-point scale should be provided for each CMC (basic = 2 points, competent = 3 points, advanced = 4 points and superior = 5 points).

(c) The applicable assessment rating calculator must then be used to add the scores and calculate a final CFS score.

7.5.3 Overall rating

An overall rating is calculated by using the applicable assessment-rating calculator. Such overall rating represents the outcome of the performance appraisal.

7.6 The assessment of the performance of the Employee will be based on the following rating scale for the KPA's (but not the CFSs):

Level	Terminology	Description
5	Outstanding performance	Performance far exceeds the standard expected of an employee at this level. The appraisal indicates that the Employee has achieved above fully effective results against all performance criteria and indicators as specified in the PA and Performance plan and maintained this in all areas of responsibility throughout the year.
4	Performance significantly above expectations	Performance is significantly higher than the standard expected in the job. The appraisal indicates that the Employee has achieved above fully effective results against more than half of the performance criteria and indicators and fully achieved all others throughout the year.
3	Fully effective	Performance fully meets the standards expected in all areas of the job. The appraisal indicates that the Employee has fully achieved effective results against all significant performance criteria and indicators as specified in the PA and Performance Plan.
2	Not fully effective	Performance is below the standard required for the job in key areas. Performance meets some of the standards expected for the job. The review/assessment indicates that the employee has achieved below fully effective results against more than half the key performance criteria and indicators as specified in the PA and Performance Plan.
1	Unacceptable performance	Performance does not meet the standard expected for the job. The review/assessment indicates that the employee has achieved below fully effective results against almost all of the performance criteria and indicators as specified in the PA and Performance Plan. The employee has failed to demonstrate the commitment or ability to bring performance up to the level expected in the job despite management efforts to encourage improvement.

7.7 For purposes of evaluating the performance an evaluation panel constituted in terms of **Regulation 27(4)(d)** will be established.

8. SCHEDULE FOR PERFORMANCE REPORTING, MONITORING, EVALUATION AND REVIEW

8.1 The performance of the Employee in relation to his performance agreement shall be monitored and evaluated on or about the following dates with the stipulation that the reviews for the second and fourth quarter will be recorded in writing. Quarterly evaluations will be subject to an internal audit process being concluded. The first and third quarter reviews may be verbal if performance is satisfactory:
